	5.	Local residents said that about 200 VPs riding solo notorcycle through Oranienburg in the direction of Loewenberg on 2 March They carried rifles and came from the direction of Birkenwerds	1953.
	6.	On 31 January 1953, 116 officers and 3,151 NCOs and EM included advisors occupied the KVP installation at Pinnow. They were reblack-bordered blue and black-bordered green patches. A high-rofficer stated that all members of the unit would soon wear bleed green patches. At the time of observation, the troops had of infantry weapons and a limited number of old 76.2-mm guns on a pelled mounts for practices. New weapons which had long been had not yet arrived. The motor vehicle stock of the unit was a changed prior to 31 January 1953. Only 10 motorcycles, some wicers, were assigned to the unit. 4	aby, black, anking ack-border only light self-pro- expected lso un-
25X1A	1.	Comment. The installation at Berlin-Adlershof is known a of the RVKVP, the motor transport batualion of the RVKVP and tregiment of the Ministry of the Interior and the Ministry of It is believed that the VPs wearing blue uniforms belong to the regiment and that the VPs wearing brown uniforms belong to the and the motor transport battalion.	the A guard tate Security. (sic) is guard
25X1A	2.	Comment. KVPD 2942, is a cadre unit, whose men probably blue uniforms at the time of observation, and is carried in Go doubted that the Gotha KVPD should regularly assign replacement border police.	tha. It is
